Moved Bro Jarvis 2: Bro. Donagan  
whereas during the last few years the  
membership has been subjected to a  
very unsatisfactory service from our  
general chairman  
and whereas we believe this to have  
been caused principally by him  
being permitted to assume other  
duties foreign to the office of  
general chairman  
and whereas the members of this

lodge now realize that the duties  
of a general chairman in a society  
of such dimensions as the C.P.P. re-  
quire an intensified attention, and  
that the dividing of his time with  
other departments of the organization  
is not in the best interests of the  
membership.

Be it therefore resolved, That the  
general grievance committee be re-  
quested to adopt a ruling prohib-  
iting any member accepting the  
position of General Chairman  
from accepting nomination for any  
other office in any department of  
the organization, that would inter-  
fere with or take him away from  
his duties as general chairman  
without the fact being dis-  
cussed and decided upon by the  
general chairman, it should be the  
policy.
